

Pre-Ride Briefing

Destination (Where the Ride is Going and Ends, also if possible, parking area). Group Photo will be taken upon arrival.

Give Route (Name of Roads and How Far)

Full Tank of Gas

Identify Road Captains and Sweeps for Each Group

Signals

Right Turn – Left Turn – Stop – Slow Down

Single File/Double File

Hazard in Road

If on Left = Point with Left Hand or Foot

If on Right = Point with Right Foot

Pass All Signals Back

Turning as a Group (Stay in your Half of the Lane)

Stop Lights and Stop Signs (Lead Road Captain Comes to Full Stop and Does Not Turn Till Light is Green)

Moving to fill in a Space (Crossover One at A Time)

Passing or Changing Lanes or pulling out (Always Turn Your Head and Look)

One and Two Second Rule (This is for the safety of the Group and also To Keep Vehicles from Pulling into the Group. If a vehicle does pull into a group, let them. It's likely that they will move back out at the first opportunity.)

Speed Limit (Lead Road Captain will not Exceed 5 MPH over speed limit)

Breakdowns-Mishaps-Accidents

Breakdowns (The Sweep Rider is designated to Stop and Assist)

Accidents (In the event of an accident, those behind the accident will stop, if possible and render aid. The Sweep will notify the lead road captain by cell phone or CB radio of the incident.)

Everyone on Group Ride is Responsible for their Individual Safety. Not Alcohol or Drugs allowed on Group Ride.

Lead Road Captain

Count All Bikes (First, Second, and Third Group)

Get Sweeps and Road Captains Phone numbers (Second and Third Group)

Call Destination (Approximately how many and estimated Time of Arrival)
